Par J.K. Accinni : Alien Species Intervention: Books 1-3: An Alien Apocalyptic Saga (Species Intervention #6609) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Alien Species Intervention: Books 1-3: An Alien Apocalyptic Saga (Species Intervention #6609) (English Edition):

the prequel to the Species Intervention #6609, Netty is a naive teenage farm girl given in marriage to an older brutal opportunist disguised as a prominent citizen during the Prohibition years in Sussex County, New Jersey. After years of enslavement, Netty flees into the night from her rapist husband, traveling back to her parents farm, where she rescues an enigmatic and damaged creature named Baby with whom she falls in love. Netty and Baby find happiness and fulfillment until a handsome Italian stranger, Wil, comes into Netty's life, creating a tense love triangle made more fraught by Netty's struggle to hide the bizarre and wondrous changes to her body caused by loving Baby. Baby's miraculous healing powers on the nature around them can't be ignored either. The heart-rending and astonishingly brutal climax to their story comes as all three face challenges that ultimately lead to transcendence and the discovery of a new world that promises resurrection. Echo2033. One hundred years have passed since the birth of Baby's miraculous offspring, Echo. The United States has evolved to a point of politically driven economic collapse. An abused mother escapes with her two sickly children, Scotty and Abby, from the tenements of Short Hills to the farmland of Sussex County. There she unites with a Latino family who has provided a loving home to Jose, a young Costa Rican boy who has been traumatized by murder and kidnap. The two families find themselves the subject of the psychotic attention of Armoni, a soul damaged beyond redemption, as their lives become entwined with Echo's, who is intent on thwarting the efforts of the heinous people who prey on the lives of other creatures. And as the insidious miscreant, Armoni, tracks them down, bringing brutality and violence to all, Netty recruits a heartbroken Abby to mount a mission to rescue the wildlife of Earth before despicable events bring on the specter of Armageddon. In Armageddon Cometh, the third book in the Alien Species Intervention #6609, Abby plans to abduct the wildlife at the Big Cat Sanctuary under Netty's guidance by enlisting the help of the charming Italian yacht captain, Cobby, even though this leads to the exposure of hidden changes to her body. Despite her love for Jose, she draws closer to the charming Cobby when Jose departs on his own mission to find his adopted family. At Bird Key, young Scotty embarks on a romance with the troubled rich girl, Chloe. As strange connections and revealed identities collide with political intrigue and murder, a traumatized Chloe and Jose scramble in a frantic dash to escape, wildlife and all, to Tampa Bay. Joining them are Kenya, a sassy and striking pregnant black girl, and Peter, their trusted attorney, who has been left scarred and emotionally ruined by their nemesis, Armoni. In the climax and chaos of the escape ahead of cops and devastation from the sky, it soon becomes clear that Scotty might be the mysterious One as foretold in an omen. Warning: Alien Species Intervention #6609 contains violence that a sensitive reader may find confronting.
