Description :

Prsentation de l'diteurRunShadow and moonlight merge beneath her bare feet, the forest floor blurring as she flees the dogs and torches. Werewolf, monster--those are the names given her kind by the humans who hate them. HuntKenzie Macleod has spent her whole life hiding what she is, and she's not about to open up to any man, even one as powerfully attractive as wildlife expert Josh Talarkoteen. But legend says that a Changeling cannot escape the call of her true mate, even in the wilderness of backcountry Alaska. MateAn isolated archeological site, a terrified Changeling cub, a shadowy research facility--as Kenzie and Josh face the ultimate betrayal, his obsidian eyes promise untold pleasure and hint at dark secrets of his own. . . "Make room on the keeper shelf--Dani Harper is definitely an author to watch." --Kate DouglasPrsentation de l'diteurRunShadow and moonlight merge beneath her bare feet, the forest floor blurring as she flees the dogs
