Tracker (A Rylee Adamson Novel, Book 6):

Description :

Prsentation de l'diteurI enjoyed the spread of this novels plot; it was beautifully executed, and also managed to weave in a bit of foreshadowing along the way. The heroines dilemma was one that I could relate to in that sometimes you have no choice except to pick the best of the worst, and in Adamsons case that came down to Faris or Berget. A vampire Emperor/ess must be chosen, and unfortunately its slim pickings as far as the candidates are concerned, that is until Rylee creatively drafts a plan C- Rabid ReadsFrom HiJinks Ink Publishing and Shannon Mayer comes TRACKER (BOOK 6) in The USA Today Bestselling RYLEE ADAMSON NOVELS. With over 1.5 million books sold, Shannon Mayer proves once again she can dominate her genre right out of the gate."My name is Rylee, and I am a Tracker." When children go missing, and the Humans have no leads, I'm the one they call. I am their last hope in bringing home the lost ones. I

salvage what they cannot. Bringing my allies together as war approaches is my number one concern. But that means I have to play nice with a vampire who is blackmailing me. If I dont, Im screwed and my family is dead. But I don't play nice. And I have a backup plan. Kinda. Throw in some new weapons being developed that work around supernaturals and I have more problems than I can handle on my own. Good thing I have a kick ass team. Even if they are on the other side of the world from me.
